AGENDA TOPIC (Action Item - Annual Requirement):
GANN LIMIT RESOLUTION 2019-20-03

PRESENTER: Debbie Costello, Director of Business Services

Background Information:

In November of 1979, California voters approved Proposition 4, an initiative that added Article XIII B to the California Constitution. This constitutional amendment, known as the GANN initiative, placed limits on growth of expenditures for publicly funded programs. Division 9 of Title I, beginning with Section 7900 of the Government Code, was then added to law to specify the process for calculating state and local government appropriation limits and appropriation subject to limitation under Article XIII B of the Constitution. These constitutional and statutory sections explain and define the appropriations limit and appropriations subject to limitation as they apply to state and local governments, and require that each entity of government formally adopt its appropriations limit for a given fiscal year.

Education Code 1629 and 42132 specify by September 15th (*) of each year the governing boards of districts shall adopt a resolution identifying their estimated appropriations limits for the current year and their actual appropriation limit for the preceding year. Board action on this item is concurrent with the approval of school districts unaudited/actuals reports.

(*) Board action on this item is concurrent with the approval of the school districts' unaudited actuals reports.

Recommendations:

Adopt Resolution #2019-20-03 for 2018-19 actuals and 2019-20 budget GANN Limit.
