Request For Placement on Board Agenda:

AGENDA TOPIC: Tax and Revenue Anticipation Notes (TRANS)

PRESENTER: Betty Skala, Director of Business Services

Background Information:

By passing this resolution, WUSD will have the opportunity to participate in the California School Cash Reserve Program sponsored by California School Boards Association Finance Corporation.

Through participation in the Cash Reserve Program, we will be able to issue a tax and revenue anticipation note. TRANS are short-term debt instruments issued by a school district to create an additional cash reserve to the general fund. The reserve acts as a cushion to the general fund in the event we experience temporary cash flow problems.

We issue a tax-exempt note and the proceeds from the sale are invested in a taxable investment. This may result in a positive spread between the borrowing rate and the investment return on the TRANS proceeds.

Other options outside of a TRANS for cash flow is interfund borrowing (resolution authorized August 2010), borrow from Glenn County Office of Education or the County of Glenn.

Piper Jaffray & Co. is the current vendor we are working with and have in the past.

Recommendations:

Approve the attached resolution and authorizing our participation in a Tax and Revenue Anticipation Notes (TRANS) for temporary cash flow problem if it is in the best interest of the District.

CALIFORNIA SCHOOL CASH RESERVE PROGRAM

Sponsored by CSBA Finance Corporation

Board Agenda Item Description

By passing the resolution before the Board, our District will have the opportunity to participate in the California School Cash Reserve Program sponsored by California School Boards Association Finance Corporation. In July 2010, over 139 school districts, community college districts, and county offices of education were involved in the issuance of more than \$612 million of notes issued through the Program. This participation represents a significant majority of schools that issue TRANs. The 2011-2012 Program will be the 24th year of the Program.

Through participation in the Cash Reserve Program, our District will be able to issue a tax and revenue anticipation note as part of this cost-effective pooled structure. An overview of this cash management concept and the Program is provided below:

Tax and Revenue Anticipation Notes (TRANs): TRANs are short-term debt instruments issued by school districts throughout the State to create an additional reserve to the general fund. In our District, this reserve will act as a cushion to the general fund in the event that we experience temporary cash flow needs. These cash flow needs may occur as a result of the timing mismatch between the receipt of revenues (generally received in an uneven fashion) and the expenditure of general fund moneys (generally paid out in a more level fashion).

TRANs Economics: Through our participation in the Program, our District will issue a tax-exempt note. The proceeds from the sale of this note, while not needed for cash flow, are invested in a taxable investment. This may result in a positive spread between the borrowing rate and the investment return on the TRAN proceeds.

Cash Reserve Program Background: The first Cash Reserve Program was issued in June of 1988 for six districts with an aggregate issue amount of \$9.6 million. Since that time the Program has grown dramatically in size, servicing the majority of California school district TRAN issuers, issuing more than \$612 million for the 2010-2011 fiscal year. Each year the Program has resulted in a significant benefit to the participants. The highlights of the Program are as follows:

- ◆ Participants benefit from a cost-effective and administratively simple method to issue their TRANs
- ◆ Documentation is streamlined for governing board approval
- ◆ Participants benefit from year-round administrative assistance

Cash Reserve Program Process:

The Cash Reserve Program involves the following key steps in order to participate:

1. ***Adoption of Resolution:*** Adoption of the resolution does not obligate the District to participate in the Program. The resolution simply delegates to the administration the right to decide on participation.
2. ***Cash Flow and Credit Background Process:*** Participants submit a completed credit questionnaire and financial information (including audits, budget, and second period interim cash flow report) that is used to develop an initial pro-forma cash flow statement for 2011-2012. Participants review, revise, and approve their cash flow statement. The cash flows are reviewed by Orrick, Herrington & Sutcliffe, the Program's Bond Counsel.
3. ***Pricing:*** The pricing of the issue is anticipated to occur in early June. At that time the interest rate on the notes will be locked-in. Our District is not obligated to participate until it acknowledges issuance prior to the sale of notes.
4. ***Closing:*** Closing of the issue will occur in early July. Our District will have access to the proceeds of the TRAN available to meet our temporary cash flow needs.

We recommend that the Board adopt the resolution. This will allow administration to proceed to the next step in the process and take part in this beneficial Program for schools. Once again, our District is not obligated to participate as a result of resolution adoption. The Resolution simply delegates to the administration the right to decide on participation prior to the time of TRAN issuance.

THIS RESOLUTION MUST BE DISCUSSED, CONSIDERED AND DELIBERATED BY THE GOVERNING BOARD AS A SEPARATE ITEM OF BUSINESS ON THE GOVERNING BOARD'S AGENDA IN ACCORDANCE WITH CALIFORNIA GOVERNMENT CODE SECTION 53635.7.

NOW, THEREFORE, the Board hereby finds, determines, declares and resolves as follows:

Section 1. Recitals. All the above recitals are true and correct and this Board so finds and determines.

Section 2. Issuance of Notes.

(A) Initial Issuance of Notes. This Board hereby determines to borrow, and hereby requests the Board of Supervisors of the County to borrow for the District, in anticipation of the receipt by or accrual to the District during Fiscal Year 2011-2012 of taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys provided for such fiscal year for the general fund and, if so indicated in the applicable Pricing Confirmation, the capital fund and/or special revenue fund (or similarly named fund or funds as indicated in such Pricing Confirmation)* of the District, and not pursuant to any common plan of financing of the District, by the issuance by the Board of Supervisors of the County, in the name of the District, of Notes under Sections 53850 *et seq.* of the Act, designated generally as the District's "2011-2012 [Subordinate]** Tax and Revenue Anticipation Notes, Series ___" in one or more of the following Series, in order of priority of payment as described herein:

(1) the Series A Notes, being the initial Series of Notes issued under this Resolution, together with one or more Series of Additional Notes issued in accordance with the provisions of Section 2(B) hereof and payable on a parity with the Series A Notes (collectively, the "Senior Notes"); and

(2) one or more Series of Additional Notes issued in accordance with the provisions of Section 2(B) hereof and payable on a subordinate basis to (i) any Senior Notes, and (ii) any previously issued Subordinate Notes if so specified in the related Pricing Confirmation (collectively, the "Subordinate Notes"), which Subordinate Notes shall be identified as such.

Each such Series of Notes shall be issued in the form of one registered note at the principal amount thereof (the "Series Principal Amount") as set forth in the applicable Pricing Confirmation and all such Series Principal Amounts aggregating to the Principal Amount set forth in such Pricing Confirmations, in each case, to bear a series designation, to be dated the

date of its respective delivery to the respective initial purchaser thereof, to mature (without option of prior redemption) not more than thirteen (13) months thereafter on a date indicated on the face thereof and determined in the Pricing Confirmation applicable to such Series of Notes (collectively, the "Maturity Date"), and to bear interest, payable at the applicable maturity (and, if the maturity is longer than twelve (12) months, an additional interest payment shall be payable within twelve (12) months of the issue date, as determined in the applicable Pricing Confirmation) and computed upon the basis of a 360-day year consisting of twelve 30-day months, at a rate not to exceed twelve percent (12%) per annum as determined in the Pricing Confirmation applicable to such Series of Notes and indicated on the face of such Series of Notes (collectively, the "Note Rate").

With respect to the Certificate Structure, if a Series of Notes as evidenced and represented by the corresponding Series of Certificates is secured in whole or in part by a Credit Instrument and is not paid at maturity or is paid (in whole or in part) by a draw under, payment by or claim upon a Credit Instrument which draw, payment or claim is not fully reimbursed on such date, such Series of Notes shall become a Defaulted Note (as defined in the Trust Agreement), and the unpaid portion thereof with respect to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been fully made shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate (as defined in the Trust Agreement). If a Series of Notes as evidenced and represented by the corresponding Series of Certificates is unsecured in whole or in part and is not fully paid at the Maturity Date, the unpaid portion thereof (or the portion thereof to which no Credit Instrument applies which is unpaid) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate.

With respect to the Bond Pool Structure, if a Series of Pool Bonds issued in connection with a Series of Notes is secured in whole or in part by a Credit Instrument or such Credit Instrument secures the Series of Notes in whole or in part and all principal of and interest on such Series of Notes is not paid in full at maturity or payment of principal of and interest on such Series of Notes is paid (in whole or in part) by a draw under, payment by or claim upon a Credit Instrument which draw, payment or claim is not fully reimbursed on such date, such Series of Notes shall become a Defaulted Note (as defined in the Indenture), and the unpaid portion thereof with respect to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been fully made shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate (as defined in the Indenture). If a Series of Notes or the Series of Pool Bonds issued in connection therewith is not so secured in whole or in part and such Series of Notes is not fully paid at the Maturity Date, the unpaid portion thereof (or the portion thereof to which no Credit Instrument applies which is unpaid) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate.

In each case set forth in the preceding two paragraphs, the obligation of the District with respect to such Defaulted Note or unpaid Series of Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of the income and revenue provided for Fiscal Year 2011-2012 within the meaning of Article XVI, Section 18 of the California Constitution, as provided in Section 8 hereof.

Both the principal of and interest on each Series of Notes shall be payable in lawful money of the United States of America, but only upon surrender thereof, at the corporate trust office of U.S. Bank National Association in Los Angeles, California, or as otherwise indicated in the Trust Agreement or the Indenture, as applicable. The Principal Amount may, prior to the issuance of any Series of Notes, be reduced from the Maximum Amount of Borrowing specified above, in the discretion of the Underwriter upon consultation with the Authorized Officer. The Principal Amount shall, prior to the issuance of the last Series of Notes, be reduced from the Maximum Amount of Borrowing specified above if and to the extent necessary to obtain an approving legal opinion of Orrick, Herrington & Sutcliffe LLP ("Bond Counsel") as to the legality thereof or, if applicable, the exclusion from gross income for federal tax purposes of interest thereon (or on any Series of Pool Bonds related thereto). The Principal Amount shall, prior to the issuance of the last Series of Notes, also be reduced from the Maximum Amount of Borrowing specified above, and other conditions shall be met by the District prior to the issuance of each Series of Notes, if and to the extent necessary to obtain from the Credit Provider that issues the Credit Instrument securing the corresponding Series of Certificates evidencing and representing such Series of Notes or the related Series of Pool Bonds to which such Series of Notes is assigned its agreement to issue the Credit Instrument securing such Series of Certificates or Series of Pool Bonds, as the case may be. Notwithstanding anything to the contrary contained herein, if applicable, the approval of the corresponding Credit Provider of the issuance of such Series of Notes and the decision of the Credit Provider to deliver the Credit Instrument shall be in the sole discretion of the Credit Provider, and nothing herein shall be construed to require the Credit Provider to issue a Credit Instrument or to approve the issuance of such Series of Notes.

In the event the Board of Supervisors of the County fails or refuses to authorize the issuance of the Notes within the time period specified in Section 53853 of the Act, following receipt of this Resolution, this Board hereby authorizes issuance of such Notes, in the District's name, in one or more series, pursuant to the terms stated in this Section 2 and the terms stated hereafter. The Notes, in one or more series, shall be issued in conjunction with the note or notes (in each case, in one or more series) of one or more other Issuers as part of the Program and within the meaning of Section 53853 of the Act.

(B) Issuance of Additional Notes. The District (or the County on its behalf, as applicable) may at any time issue pursuant to this Resolution, one or more Series of Additional Notes consisting of Senior Notes or Subordinate Notes (including Subordinate Notes that are further subordinated to previously issued Subordinate Notes, as provided in the applicable Pricing Confirmation), subject in each case to the following specific conditions, which are hereby made conditions precedent to the issuance of any such Series of Additional Notes:

(1) The District shall not have issued any tax and revenue anticipation notes relating to the 2011-2012 fiscal year except (a) in connection with the Program under this Resolution, or (b) notes secured by a pledge of its Unrestricted Revenues (as defined in Section 8) that is subordinate in all respects to the pledge of its Unrestricted Revenues hereunder; the District shall be in compliance with all agreements and covenants contained herein; and no Event of Default shall have occurred and be continuing with respect to any such outstanding previously issued notes or Series of Notes.

(2) The aggregate Principal Amount of Notes issued and at any time outstanding hereunder shall not exceed any limit imposed by law, by this Resolution or by any resolution of the Board amending or supplementing this Resolution (each a "Supplemental Resolution").

(3) Whenever the District shall determine to issue, execute and deliver any Additional Notes pursuant to this Section 2(B), the Series Principal Amount of which, when added to the Series Principal Amounts of all Series of Notes previously issued by the District, would exceed the Maximum Amount of Borrowing authorized by this Resolution, the District shall adopt a Supplemental Resolution amending this Resolution to increase the Maximum Amount of Borrowing as appropriate and shall submit such Supplemental Resolution to the Board of Supervisors of the County as provided in Section 53850 *et seq.* of the Act with a request that the County issue such Series of Additional Notes in the name of the District as provided in Sections 2(A) and 9 hereof. The Supplemental Resolution may contain any other provision authorized or not prohibited by this Resolution relating to such Series of Additional Notes.

(4) The District may issue a Series of Additional Notes that are Senior Notes payable on a parity with all other Series of Senior Notes of the District or that are Subordinate Notes payable on a parity with one or more Series of outstanding Subordinate Notes, only if it obtains (a) the consent of each Credit Provider relating to each previously issued Series of Notes that will be on a parity with such Series of Additional Notes, and (b) evidence that no rating then in effect with respect to any outstanding Series of Certificates or Series of Bonds, as applicable, from a Rating Agency will be withdrawn, reduced, or suspended solely as a result of the issuance of such Series of Additional Notes (a "Rating Confirmation"). Except as provided in Section 8, the District may issue one or more Series of Additional Notes that are subordinate to all previously issued Series of Notes of the District without Credit Provider consent or a Rating Confirmation. The District may issue tax and revenue anticipation notes other than in connection with the Program under this Resolution only if such notes are secured by a pledge of its Unrestricted Revenues that is subordinate in all respects to the pledge of its Unrestricted Revenues hereunder.

(5) Before such Additional Notes shall be issued, the District shall file or cause to be filed the following documents with the Trustee:

(a) An Opinion of Counsel to the District to the effect that (A) such Additional Notes constitute the valid and binding obligations of the District, (B) such Additional Notes are special obligations of the District and are payable from the moneys pledged to the payment thereof in this Resolution, and (C) the applicable Supplemental Resolution, if any, has been duly adopted by the District.

(b) A certificate of the District certifying as to the incumbency of its officers and stating that the requirements of this Section 2(B) have been met.

(c) A certified copy of this Resolution and any applicable Supplemental Resolution.

(d) If this Resolution was amended by a Supplemental Resolution to increase the Maximum Amount of Borrowing, the resolution of the County Board of Supervisors approving such increase in the Maximum Amount of Borrowing and the issuance of such Additional Notes, or evidence that the County Board of Supervisors has elected to not issue such Additional Notes.

(e) An executed counterpart or duly authenticated copy of the applicable Certificate Purchase Agreement or Note Purchase Agreement.

(f) A Pricing Confirmation relating to the Series of Additional Notes duly executed by an Authorized Officer (as defined in Section 4).

(g) The Series of Additional Notes duly executed by the applicable County representatives as provided in Section 9 hereof, or executed by the applicable Authorized Officers if the County shall have declined to issue the Series of Additional Notes in the name of the District, either in connection with the initial issuance of the Series A Notes or in connection with any Supplemental Resolution increasing the Maximum Amount of Borrowing.

(h) If the Additional Notes are to be parity Senior Notes or parity Subordinate Notes, the Credit Provider consent(s) and Rating Confirmation(s) required pursuant to paragraph (4) above.

Upon the delivery to the Trustee of the foregoing instruments and, if the Bond Pool Structure is implemented, satisfaction of the provisions of Section 2.12 of the Indenture with regard to the issuance of a corresponding Series of Additional Bonds (as defined therein), the Trustee shall authenticate and deliver said Additional Notes to, or upon the written request of, the District. Upon execution and delivery by the District and authentication by the Trustee, said Additional Notes shall be valid and binding obligations of the District notwithstanding any defects in satisfying any of the foregoing requirements.

Section 3. Form of Notes. Each Series of the Notes shall be issued in fully registered form without coupons and shall be substantially in the form and substance set forth in Exhibit A, attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures.

Section 4. Sale of Notes; Delegation. Any one of the President or Chairperson of the Board, the Superintendent, the Assistant Superintendent for Business, the Assistant Superintendent for Administrative Services, the business manager, director of business or fiscal services or chief financial/business officer of the District, as the case may be, or, in the absence of said officer, his or her duly appointed assistant (each an "Authorized Officer"), is hereby authorized and directed to negotiate, with the Underwriter (if the Certificate Structure is implemented) or the Authority (if the Bond Pool Structure is implemented), an interest rate or rates on each Series of the Notes to the stated maturity or maturities thereof, which shall not, in any individual case, exceed twelve percent (12%) per annum (per Series of Notes), and the purchase price to be paid by the Underwriter or the Authority, as applicable, for the respective Series of the Notes, which purchase price shall be at a discount which when added to the
