

WILLOWS UNIFIED
SCHOOL DISTRICT

This is the Willows unified school district. This message will be in English and Spanish. Este mensaje sera repitido en espanol.

We are calling with an update on the swine flu. At this time there are no confirmed cases in Glenn county. Your child will be bringing home a letter to educate you and your family about the flu. The letter will also be posted on our website. Prevention is the most important thing you can do at this time to protect your family.

Wash your hands often with soap and water.
Cover your cough and sneezes with a tissue or use your sleeves
If you are sick, stay home
Avoid being around others who are sick

We are working closely with the Glenn County Health Department. We will continue to notify you by phone, letters, and website updates as the current flu situation changes.

Estamos hablando con un mensaje sobre le influenza porcina. A este tiempo no hay casos confirmados en el contado de glenn. Su hijo llevara una carta a la casa para educar a su familia sobre la influenza. La carta tambien estara en nuestro website. Prevencion es la cosa mas importante que usted puede hacer para proteger a su familia.

Lavense las manos frecuentemente con agua y jabon
Taparse la tos y estornudos con un Kleenex o con el brazo
Si estan enfermos, quedense en la casa
No se acerquen a personas enfermas

Estamos trabajando en conjunto con el departamento de salud del condado de glenn. Continuaremos a notificarlos por telefono, cartas, y nuestro website como cambia la situacion.
