School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Willows Community High School (WCHS) is in the Willows Unified School District and serves students in grades 10-12. WCHS is an alternative educational setting designed to provide a comprehensive curriculum to meet the needs of students at risk of not meeting graduation requirements and/or preparation for college or career.

Many of the WCHS students have experienced issues with poor attendance, discipline, and/or poor grades. WCHS allows its students opportunities for academic and behavioral success through curriculum and programs that are geared toward their individual learning styles and ability levels.

WCHS embraces the district-wide mission statement "Preparing today's students for tomorrow's challenges," and works with students accordingly.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

In August 2007, the District Office moved from the property located downtown, to its current location on the west side of the Community High building. The relocation has been successful for both the District and the Community High School.

The safety, cleanliness, and adequacy of school facilities, including any needed maintenance to ensure good repair of the buildings, are important to the school and district. Most recently, improvements were made to the classroom and office heating and air conditioning systems as well as the outside security lighting. The parking lot and "hard court" play area were also resurfaced and security cameras were installed for night monitoring.

The facility consists of one permanent building for the office and two portable buildings for classrooms. Breakfast and lunches are prepared at the comprehensive high school and transported to our facility on a daily basis. A part-time custodian and the district maintenance and grounds personnel help to provide safe, clean, and well-kept classroom and office facilities.

To determine the condition of our facilities, our district annually performs an inspection using a survey called the Facilities Inspection Tool (FIT), which is issued by the Office of Public School Construction. Information and data from the FIT survey were used in putting together this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 10/08/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	0	N/A	20	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents have several opportunities to become involved in their child’s education through Back to School Night, Open House, or Parent Volunteer Participation. Please contact the school principal, Emmett Koerperich, to find out how you can participate.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.1	0.1	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Safety is a high priority at Willows Community High School. An extensive school safety plan, updated annually, in accordance with SB 187, has been developed and implemented. This plan includes the following emergency procedures: traumatic incidents, imminent danger procedure-Code Red, evacuation/relocation procedure, civil defense/disorder, bomb threat/bomb emergency, earthquake, chemical spill, crime in progress, and fire/explosion. The plan was reviewed and updated October 2020.

Types of Services Funded (Fiscal Year 2019-2020)

We are required to report financial data from the 2019-20 school year by the California Department of Education. More recent financial data is available on request from the district office. It is important to note when comparing Teacher and Administrative Salaries, these salaries include BOSS (Benefits on Salary Schedule).

Spending per Student :

To make comparisons possible across schools and districts of varying sizes, we first report our overall spending per student. We base our calculations on our average daily attendance (ADA) for the 2019-20 school year.

We've broken down expenditures by the type of funds used to pay for them. Unrestricted funds can be used for any lawful purpose. Restricted funds, however, must be spent for specific purposes set out by legal requirements or the donor. Examples include funding for instructional materials and teacher and principal training funds.

Next to the figures for the district and state averages, we show the percentage by which the school's spending varies from the district and state averages. For example, we calculate the school's variance from the district average using this formula:

Teacher and Administrative Salaries (Fiscal Year 2018-2019)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$60,840	\$44,318
Mid-Range Teacher Salary	\$80,635	\$67,053
Highest Teacher Salary	\$103,220	\$90,163
Average Principal Salary (Elementary)	\$131,538	\$106,389
Average Principal Salary (Middle)	\$133,830	\$113,976
Average Principal Salary (High)	\$139,122	\$114,214
Superintendent Salary	\$172,434	\$141,066
Percent of Budget for Teacher Salaries	36.0	29.0

Our teacher and other staff members take time each year to improve their practices and to extend their knowledge of the subjects they teach and the skills they must possess to work successfully with our students. Much of the past trainings have been related to state standards and technology use both inside and outside the classroom.
