

Student Assignment Draw Names

These should be printed and cut out prior to class. The face fly was used to create the student example – it is optional to have a student create an informational sheet on that parasite.

Horn Fly	Stable Fly	Horsefly/Deerfly
Blackfly	Screwworm fly	Housefly
Face Fly	Heel Fly (Grubs)	Lice
Mites	Mosquitoes	Ticks
Roundworms	Flatworms	Coccidia
Anaplasma
