Request For Placement on Board Agenda:

AGENDA TOPIC: Action
Waiver Request – Carl D. Perkins Voc and Tech Education

PRESENTER: Debby Beymer, Director of Business Services

With the dissolution of the ROP Countywide Consortium, Willows Unified School District must apply for a Waiver of the requirements outlined in Education Code Section PL 109-270 Section 131 (c) (1) that requires schools districts who are eligible for less than \$15,000.00 in Carl Perkins apportionments to be part of a consortium.

Our Rural designation and the current local school district decisions to apply for the Career Technical Education funding outside of the GCOE consortium, allows us to apply for a waiver based upon the fact that there is no longer an opportunity within our county to participate in a consortium.

RECOMMENDATION:

The administration requests that the Board of Directors approve the Carl D. Perkins Voc and Tech Ed Act Wavier Request for the school years beginning on July 1, 2017 through June 30, 2020 (4 years).

The elimination of the Regional Occupational Funding system resulted in the dissolution of our countywide consortium. School districts in Glenn County range in enrollments of 95 to 2,208 with Willows Unified being the second largest at 1,435. Area schools have opted out of the consortium with the Glenn County Office of Education for Career Education and are seeking waivers to function independently in order to meet the specific needs of students in their respective districts.
