

**BEFORE THE BOARD OF EDUCATION
WILLOWS UNIFIED SCHOOL DISTRICT
COUNTY OF GLENN, STATE OF CALIFORNIA**

RESOLUTION #2020-21-02

WEEK OF THE SCHOOL ADMINISTRATOR

WHEREAS, Leadership Matters for California’s public education system and the more than 6 million students it serves; and

WHEREAS, school administrators are passionate, lifelong learners who believe in the value of quality public education; and

WHEREAS, the title “school administrator” is a broad term used to define many education leadership posts. Superintendents, assistant superintendents, principals, assistant principals, special education and adult education leaders, curriculum and assessment leaders, school business officials, classified educational leaders, and other school district employees are considered administrators; and

WHEREAS, providing quality service for student success is paramount for the profession; and

WHEREAS, most school administrators began their careers as teachers. The average administrator has served in public education for more than a decade. Most of California’s superintendents have served in education for more than 20 years. Such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement; and

WHEREAS, public schools operate with lean management systems. Across the nation, public schools employ fewer managers and supervisors than most public and private sector industries, including transportation, food service, manufacturing, utilities, construction, publishing and public administration; and

WHEREAS, school leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials and district and county staff and resources – to promote ongoing student achievement and school success; and

WHEREAS, research shows great schools are led by great principals, and great districts are led by great superintendents. These site leaders are supported by extensive administrative networks throughout the state; and

WHEREAS, the future of California’s public education system depends upon the quality of its leadership;

NOW, THEREFORE, BE IT RESOLVED, we, the Board of Education of the Willows Unified School District, hereby recognizes that all school leaders in the District be commended for the contributions they make to successful student achievement and declares the week of October 11-17, 2020, as Week of the School Administrator in the Willows Unified School District.
