#### Statement of Reasons

**The District's Fund Balance includes assigned, unassigned and unappropriated components, that in total are greater than the Minimum Recommended Reserve for Economic Uncertainties, See below the list of items that will require additional district funds:**

In light of ongoing increases in STRS, PERS, and State Unemployment Insurance (SUI) employer costs, escalating special education program costs and the substantial impact declining enrollment projections will have on the budget of Willows Unified, the Willows Unified Board of Trustees have proactively established programs and set aside funds to ensure the ability to support ongoing step and column salary increases, continued replacement of obsolete technology equipment, and to provide professional development opportunities to staff. The School Board has also set aside reserves to ensure there are adequate resources available to service debt and to provide much needed facility improvements and/or maintenance and repairs in year where funding increases (if any) are generated by cost of living adjustments only and do not keep pace with increasing operational costs. In our current climate of fiscal uncertainty and the relatively short-term benefits of one-time COVID relief allocations, these reserve levels will be an essential component of the District's fiscal stability plan.
