

WILLOWS UNIFIED SCHOOL DISTRICT
Office of the Superintendent

Date: February 2, 2017

Request For Placement on Board Agenda – Discussion/Possible Action :

**AGENDA TOPIC: Approve transfer of unrestricted funds into
 the district facility repairs account**

PRESENTER: Debby Beymer, Director of Business Services

Information:

With the November passage of the local school bond Measure B and Proposition 51 at the state level, Willows Unified School District is in a position to qualify for state facility dollars. With those dollars come local matching requirements of 40/60 (district/state) under the Hardship Program and 50/50 under the State Modernization Program.

The transfer of \$1,000,000.00 would provide the matching funds for \$1,500,000.00 in state funding under the Hardship Program or \$1,000,000.00 under the Modernization Program.

Recommendation:

The administration requests that the board approve the transfer of \$1,000,000.00 into fund 01 / resource 9151 (facility repair account) to further support our ability to match state funded facility repairs, improvements and or modernization.
